Instead, add a number of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out costs by creating a number of duplicate sales pages with totally different prices on every page. Be sure your sales copy is exactly the same on every page, and includes your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your website and sales of your book. This will let you know what your optimum price is.
