Do that by making a gross sales page for the brand new book, however don't embody a value on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to check out prices by making a variety of duplicate sales pages with completely different prices on every page. Ensure your sales copy is strictly the same on every

page, and contains your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your web site and sales of your book. It will let you know what your optimum worth is.

Finally, when you've written a e book that solves a drawback or presents a brand new technique, your ebook will herald both site visitors and profits.
