Should you *Japanese Bondage Manual* price it too high when put next together with your competition, you will see yourself steadily decreasing the value, which is able to trigger you all kinds of new issues in the future.

Choosing the proper worth to your **Japanese Bondage Manual** e-book is without doubt one of the most critical elements of the marketing process. The first rule of pricing ebooks is to never underprice. Decide the very best price your audience can afford, and then for those who discover your ebook isn't promoting, you may always scale back the price. Before you're taking that step, ensure you are promoting your Japanese Bondage Manual book like crazy on the Web and on websites. The price should be geared toward bringing in earnings, but it is best to by no means overlook that price is likely one of the components that individuals use in judging the worth of your *Japanese Bondage Manual* e-book ? before they buy it. So always start with the highest value, and then launch a mega-advertising campaign.

Pricing an e-book is particularly difficult because ebooks are a reasonably new commodity. Since they are digital, the value of an ebook is as complicated because the understanding of what digital

truly is to the average layperson. This means that we should have a look at ebooks in a unique light with the intention to determine their precise price in this courageous, new cyber world.

Let us take a look at the difference between a ebook in print and an ebook. A printed e book is an object you can maintain in your hand, retailer on your bookshelf, even hand down to the next generation. It is priced on elements such as paper inventory, design and production costs, and marketing.

But the fact that unites ebooks and print books is that they are composed of ideas. It's the ideas in these books that have the flexibility to alter, or presumably rework, people's lives.

What do you think an thought is value when evaluated against the price of paper and ink?

It is the IDEAS which might be valuable! That is how you decide the price of your ebook.

What should I cost for my ideas?

There are all completely different formulas and methods for determining the proper price in your ebook. Let's start with honing in on your final goals.

Determine in case your purpose is to get wide distribution and maximum exposure. This objective is aimed at drawing prospects to your business or service, or to establishing the credibility of your reputation. If this is your foremost goal, you should goal to keep your worth on the low side. Some authors have even priced their ebooks at a revenue loss to draw a high variety of new customers. The secret's to find a worth that maximizes your income and the variety of books you sell.

This is a wonderful pricing strategy if you are trying to acquire lengthy-time period customers. Long-term customers are extremely doubtless to purchase from you once more and again ? as long as the first e book they buy is of exceptional quality and beneficial to the customer.

Nonetheless, in case your ebook contains precious ? and extra importantly NEW information, references, or strategies ? then it's best to goal to cost it on the high end.

After you figure out your purpose, you will need to figure out what your audience's want is to your ebook. For example, does your e book remedy a particular problem? If it does, and solves it in a means that hasn't been written about in one hundred other ebooks, you may be capable of obtain excessive sales at a high price. If your book solves a problem or solutions questions in a brand new

and distinctive way, you should worth your guide as excessive as you may go. You will achieve larger earnings this way, however usher in fewer customers. Just be sure the question or drawback that your e book solves is one which is essential and relevant to nearly all of your market audience. If your ideas usually are not common data, or you are presenting a model new technique, it is possible for you to to sell books at a high price. Just be ready in your competition to undercut you on worth as soon as they hear about your book.

Take into account that the above pricing strategy is temporary. Finally, you will cease to promote books at this high price. So determine upfront how lengthy you plan to supply your e-book at this excessive value, and when that time is up, change your pricing strategy.

If you wish to see large earnings over customer draw, aim for an audience that's in search of straightforward options to their issues at a low price. If your book is aimed at fixing one particular problem somewhat than common recommendation, then you can charge more. Begin on the highest worth the market will bear to usher in the largest earnings, and plan to discount the e book a variety of occasions all through the year.

Advertising and marketing Strategies

The important thing that unlocks the gross sales potential of your ebook is to find a single sentence that turns into your selling handle. This sentence states what query or drawback your e-book answers and the advantages your ebook can provide. Then make sure you use that sentence in each piece of gross sales and promotional materials, and every time anyone asks you about your ebook.

Besides promoting your books assiduously on-line, there are several different methods that can provide help to promote extra books.

One is to present one thing away totally free with your guide, similar to a valuable bonus item. Or bundle a number of ebooks beneath one worth, which lowers the worth for each e-book if they were offered separately.

An effective technique for figuring out a worth is to send out a survey to your current customers. If these customers have already bought an book from you, ask for his or her opinion when it comes to price. Do this by making a gross sales web page for the brand new e-book, however do not embrace a value on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to check out prices by making a variety of duplicate sales pages with different prices on each page. Be certain that your sales copy is strictly the same on every web

page, and contains your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your website and gross sales of your book. This can tell you what your optimum value is.

In the end, if you've written a guide that solves a problem or presents a brand new method, your e-book will usher in both visitors and profits. So be sure to write that selling-deal with sentence that sums up what downside your e book solves and what the benefits of your *Japanese Bondage Manual* guide shall be to the purchasers who buy it. And then watch your market come to you!
