Choosing the right worth on your **Padi Open Water Diver Manual Questions** e book is without doubt one of the most critical parts of the marketing process. The first rule of pricing ebooks is to never underprice. Determine the very best price your audience can afford, after which in the event you find your guide isn't promoting, you'll be able to always cut back the price. Earlier than you're taking that step, be sure you are promoting your Padi Open Water Diver Manual Questions e-book like crazy on the Web and on websites. The price must be aimed toward bringing in earnings, but you need to by no means neglect that value is without doubt one of the components that individuals use in judging the worth of your *Padi Open Water Diver Manual Questions* ebook ? before they purchase it. So all the time start with the very best value, and then launch a mega-advertising campaign.

Pricing an e book is particularly tough because ebooks are a reasonably new commodity. Since they are digital, the value of an e book is as complicated as the understanding of what digital truly is to the average layperson. This means that we should have a look at ebooks in a different gentle in an effort to determine their precise price on this brave, new cyber world.

Let's look at the distinction between a book in print and an ebook. A printed guide is an object you may maintain in your hand, store on your bookshelf, even hand down to the next generation. It's priced on elements such as paper inventory, design and production prices, and marketing.

But the fact that unites ebooks and print books is that they're composed of ideas. It's the ideas in these books which have the ability to change, or possibly remodel, people's lives.

What do you think an concept is price when evaluated against the price of paper and ink?

It is the IDEAS that are precious! That is the way you decide the price of your ebook.

What ought to I charge for my ideas?

There are all completely different formulas and methods for determining the right value for your ebook. Let's start with honing in in your final goals.

Resolve in case your purpose is to get wide distribution and maximum exposure. This goal is geared toward drawing prospects to your enterprise or service, or to establishing the credibility of your reputation. If that is your important aim, it's best to aim to keep your value on the low side. Some authors have even priced their ebooks at a profit loss to attract a excessive variety of new customers. The bottom line is to discover a price that maximizes your earnings and the number of books you sell.

This is an excellent pricing technique if you're looking to purchase lengthy-time period customers. Lengthy-term clients are extremely doubtless to purchase from you once more and once more ? as long as the first e-book they purchase is of distinctive high quality and beneficial to the customer.

Nevertheless, if your guide contains precious ? and more importantly NEW information, references, or techniques ? then you must aim to cost it on the high end.

After you figure out your aim, you could work out what your audience's want is to your ebook. For instance, does your book remedy a selected problem? If it does, and solves it in a means that hasn't been written about in 100 different ebooks, you can be capable of achieve excessive gross sales at a high price. In case your e book solves an issue or answers questions in a brand new and unique means, you need to price your ebook as high as you'll be able to go. You'll obtain bigger earnings this way, however bring in fewer customers. Simply be sure the question or drawback that your guide solves is one that is essential and relevant to the majority of your market audience. If your ideas will not be common knowledge, or you are presenting a model new approach, you will be able to sell books at a high price. Just be prepared for your competition to undercut you on value as soon as they hear about your book.

Keep in mind that the above pricing technique is temporary. Eventually, you will cease to sell books at this high price. So determine upfront how long you plan to supply your e book at this excessive value, and when that point is up, change your pricing strategy.

If you want to see massive earnings over buyer draw, aim for an viewers that's on the lookout for simple solutions to their issues at a low price. If your guide is geared toward solving one specific downside quite than basic advice, then you'll be able to cost more. Begin on the highest price the market will bear to herald the largest profits, and plan to discount the book a number of instances all through the year.

Marketing Methods

The important thing that unlocks the sales potential of your e-book is to find a single sentence that turns into your selling handle. This sentence states what query or problem your guide answers and the benefits your book can provide. Then be sure to use that sentence in every piece of gross sales and promotional material, and each time anyone asks you about your ebook.

Apart from promoting your books assiduously on-line, there are a number of different methods that can provide help to promote extra books.

One is to provide one thing away without spending a dime with your e book, reminiscent of a invaluable bonus item. Or bundle a number of ebooks beneath one worth, which lowers the price for every e-book if they have been bought separately.

An effective method for determining a worth is to send out a survey to your current customers. If these customers have already bought an book from you, ask for their opinion when it comes to price. Do this by creating a gross sales web page for the brand new book, but don't include a worth on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out prices by making a number of duplicate gross sales pages with completely different costs on every page. Be sure your gross sales copy is exactly the identical on

each page, and consists of your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your web site and gross sales of your book. This can let you know what your optimum value is.

Finally, for those who've written a guide that solves a problem or presents a brand new approach, your e book will herald each site visitors and profits. So make sure to write that selling-handle sentence that sums up what problem your book solves and what the advantages of your *Padi Open Water Diver Manual Questions* ebook shall be to the purchasers who buy it. And then watch your market come to you!
