If these prospects have already purchased an e-book from you, ask for their opinion when it comes to price. Do that by creating a gross sales web page for the brand new e book, however don't include a worth on that page. Another strategy is to test out prices by creating a number of duplicate sales pages with totally different costs on every page. Ensure your sales copy is precisely the identical on each web page,

and includes your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum value is.
