totally different costs on each page. Be certain your gross sales copy is precisely the same on each web page, and contains your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your website and gross sales of your book. It will inform you what your optimum value is.

In the end, if you happen to've written a e-book that solves a downside or presents a brand new technique, your ebook will herald both site visitors and profits.
