An efficient method for figuring out a worth is to send out a survey to your current customers. If these clients have already bought an ebook from you, ask for their opinion in terms of price. Do that by creating a gross sales web page for the new e-book, but do not embody a worth on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out prices by making a number of duplicate sales pages with totally different costs on every page. Ensure that your gross sales copy is precisely the same on each page, and consists of your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your site and sales of your book. This may tell you what your optimum worth is.

Ultimately, if you happen to've written a e-book that solves a problem or presents a brand new method, your ebook will herald each traffic and profits. So you should definitely write that promoting-deal with sentence that sums up what drawback your ebook solves and what the benefits of your 165 e book shall be to the purchasers who buy it. And then watch your market come to you!
