An efficient approach for determining a value is to send out a survey to your current customers. If these clients have already bought an e book from you, ask for his or her opinion by way of price. Do that by making a gross sales page for the brand new ebook, however do not include a price on that page. Instead, add plenty of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out costs by making a variety of duplicate gross sales pages with completely different costs on each page. Be certain that your sales copy is exactly the similar on

each page, and consists of your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your site and sales of your book. This may let you know what your optimum worth is.

In the end, in the event you've written a ebook that solves a drawback or presents a new technique, your e-book will usher in each site visitors and profits.
