As an alternative, add quite a few links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to test out prices by creating a variety of duplicate sales pages with different costs on each page. Be sure your sales copy is precisely the same on each page, and includes your selling-handle sentence. Then work out for every page the conversion ratio between guests to your web site and gross sales of your book. This can let you know what your optimum price is.

In the end, in case you've written a ebook that solves a drawback or presents a brand new approach, your book will usher in each traffic and profits.
