If these prospects have already purchased an e book from you, ask for his or her opinion by way of price. Do this by making a sales page for the new e book, but don't embrace a price on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out prices by making a variety of duplicate sales pages with different costs on each page. Make sure your gross sales copy is strictly the similar on each web

page, and consists of your selling-handle sentence. Then work out for each page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum worth is.

In the end, should you've written a e book that solves a downside or presents a new technique, your book will usher in both traffic and profits.
