As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out prices by creating a number of duplicate sales pages with totally different costs on every page. Be certain that your sales copy is exactly the identical on every web page, and contains your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum value is.

Finally, for those who've written a book that solves a drawback or presents a new approach, your ebook will herald each site visitors and profits.
