Do that by creating a gross sales page for the brand new e-book, but do not include a value on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out prices by creating a variety of duplicate sales pages with totally different prices on every page. Make sure your sales copy is exactly the identical on each

page, and consists of your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your website and gross sales of your book. It will let you know what your optimum worth is.

Finally, when you've written a e-book that solves a drawback or presents a brand new approach, your ebook will bring in each site visitors and profits. So make sure to write that selling-handle sentence that sums up what downside your ebook solves and what the benefits of your 2062 e-book can be to the shoppers who buy it.
