An efficient approach for figuring out a worth is to send out a survey to your current customers. If these customers have already purchased an e book from you, ask for their opinion by way of price. Do that by creating a sales page for the new guide, however do not embody a price on that page.

Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with totally different prices on each page. Be certain that your sales copy is strictly the same on each web page, and consists of your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your website and gross sales of your book. It will tell you what your optimum worth is.

Ultimately, for those who've written a guide that solves a problem or presents a brand new method, your guide will bring in each traffic and profits.
