If these customers have already bought an ebook from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales web page for the brand new book, however do not include a value on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out prices by creating a number of duplicate sales pages with different costs on every page. Make certain your gross sales copy is exactly the identical on every web page,

and contains your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum value is.

Finally, for those who've written a book that solves a downside or presents a brand new technique, your e-book will usher in each traffic and profits.
