As an alternative, add plenty of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out costs by making a number of duplicate sales pages with totally different costs on every page. Be certain your sales copy is precisely the similar on every page,

and contains your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your website and gross sales of your book. This will tell you what your optimum value is.
