value on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with different costs on every page. Ensure that your gross sales copy is strictly the similar on every page, and contains your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum worth is.

In the end, if you've written a ebook that solves a downside or presents a new approach, your e book will herald each visitors and profits.
