Start on the highest value the market will bear to usher in the largest profits, and plan to discount the e book a variety of instances all through the year.

Do that by making a sales page for the new book, but don't include a price on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out prices by creating a variety of duplicate gross sales pages with totally different costs on every page. Make certain your sales copy is exactly the same on each page, and contains your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and gross sales of your book. This may let you know what your optimum value is.
