An effective approach for determining a worth is to ship out a survey to your present customers. If these customers have already purchased an book from you, ask for his or her opinion in terms of price. Do that by making a sales page for the brand new e-book, however don't embrace a value on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out costs by making a number of duplicate gross sales pages with totally different costs on each page. Make certain your gross sales copy is strictly the same on every web page, and consists of your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your website and sales of your book. This will inform you what your optimum value is.

Ultimately, for those who've written a e-book that solves a drawback or presents a new method, your ebook will herald both traffic and profits. So be sure you write that selling-handle sentence that sums up what problem your ebook solves and what the benefits of your 449 book will likely be to the shoppers who purchase it.
