sales and promotional materials, and each time anyone asks you about your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with different prices on every page. Ensure your sales copy is precisely the similar on each page, and contains your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your site and gross sales of your book. This can let you know what your optimum worth is.

Finally, if you happen to've written a e-book that solves a problem or presents a new approach, your book will usher in both traffic and profits.
