price. Do this by creating a sales web page for the new ebook, however don't include a worth on that page. Instead, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out costs by creating a number of duplicate sales pages with totally different prices on each page. Ensure that your sales copy is exactly the same on each page, and contains your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. This can inform you what your optimum worth is.

In the end, when you've written a book that solves a downside or presents a brand new approach, your ebook will bring in both site visitors and profits.
