Do that by making a gross sales page for the brand new guide, but don't embrace a value on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out costs by making a number of duplicate gross sales pages with different prices on each page. Be certain your gross sales copy is exactly the same on every page, and contains your selling-deal with sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum value is.

Finally, if you happen to've written a guide that solves a problem or presents a brand new technique, your e book will herald both site visitors and profits.
