What do you suppose an thought is worth when evaluated in opposition to the price of paper and ink?

It is the IDEAS which are worthwhile! That's how you determine the cost of your ebook.

What should I charge for my ideas?

Nevertheless, in case your ebook accommodates useful ? and more importantly NEW info, references, or strategies ? then you must intention to price it on the excessive end.

After you figure out your objective, you will need to work out what your viewers's want is for your ebook. For example, does your guide remedy a selected drawback? If it does, and solves it in a manner that hasn't been written about in one hundred different ebooks, you may be capable of obtain excessive sales at a excessive price. In case your ebook solves a problem or solutions questions in a brand new and unique approach, it is best to value your guide as excessive as you may go. You will obtain larger earnings this way, but usher in fewer customers. If your ideas aren't frequent information, or you are presenting a brand new method, you will be able to promote books at a excessive price. Just be prepared for your competition to undercut you on value as soon as they hear about your book.

Remember that the above pricing strategy is temporary. Finally, you'll stop to sell books at this excessive price. So determine in advance how long you plan to offer your ebook at this high worth, and when that point is up, change your pricing strategy.

If you want to see giant profits over customer draw, goal for an audience that is in search of simple solutions to their issues at a low price. In case your guide is aimed toward solving one specific drawback quite than general recommendation, then you'll be able to cost more. Start at the highest price the market will bear to herald the largest profits, and plan to low cost the book a variety of instances all through the year.

Another technique is to test out prices by creating a number of duplicate sales pages with totally different prices on every page. Make sure that your sales copy is exactly the identical on each

page, and contains your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your web site and gross sales of your book. This can tell you what your optimum worth is.
