One other strategy is to check out prices by making a variety of duplicate gross sales pages with totally different costs on every page. Be sure your gross sales copy is precisely the similar on

every page, and contains your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and gross sales of your book. This may inform you what your optimum value is.

Finally, if you've written a ebook that solves a problem or presents a new method, your e book will herald each traffic and profits.
