Do this by creating a sales web page for the brand new e-book, but do not embody a price on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out costs by creating a number of duplicate gross sales pages with different costs on every page. Make sure your sales copy is strictly the same on every web page, and

includes your selling-deal with sentence. Then figure out for every web page the conversion ratio between guests to your web site and gross sales of your book. It will tell you what your optimum worth is.
