An effective approach for determining a value is to send out a survey to your current customers. If these clients have already purchased an book from you, ask for his or her opinion by way of price. Do that by creating a gross sales page for the brand new guide, but don't embrace a price on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to check out costs by making a number of duplicate sales pages with different prices on each page. Be sure that your sales copy is strictly the same on each page, and includes your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your website and sales of your book. This can inform you what your optimum value is.

In the end, in the event you've written a guide that solves a drawback or presents a brand new approach, your book will bring in each visitors and profits. So you'll want to write that promoting-handle sentence that sums up what drawback your ebook solves and what the advantages of your 888 e-book shall be to the shoppers who buy it.
