One other strategy is to test out prices by making a number of duplicate sales pages with different costs on every page. Be sure that your sales copy is exactly the identical on every page, and contains your promoting-handle sentence. Then work out for every web page the conversion ratio between visitors to your site and sales of your book. This will let you know what your optimum price is.

Finally, for those who've written a e-book that solves a downside or presents a brand new method, your book will herald both visitors and profits.
