An effective technique for figuring out a worth is to ship out a survey to your present customers. If these customers have already purchased an ebook from you, ask for their opinion when it comes to price. Do that by creating a sales web page for the new guide, however don't embrace a value on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out prices by creating a variety of duplicate sales pages with totally different prices on each page. Make sure your sales copy is precisely the identical on each page, and includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and gross sales of your book. This can let you know what your optimum worth is.
